Admission numbers

The school has a Published Admissions Number (PAN) of 250 pupils for entry in Year 7 from September 2025.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number(s) for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

In accordance with the law, children with Education Health and Care Plan (EHCP) will be admitted to the school where the Local Authority (LA) has specifically named SCA as the most appropriate placement.

Tie-break

If a tie-break is necessary to determine which child is admitted, random allocation will be undertaken by the LA (or another body that is unconnected from the Academy Trust) as a tie-break to decide who will be admitted.

Random allocation will not be applied to multiple birth siblings (twins, triplets, etc.) from the same family tied for the final place; we will admit them all and exceed the PAN.

Before deciding to appeal, you may wish to contact the Advisory Centre for Education (0808 800 5793) who will provide you with free, impartial advice.

If you choose to exercise your right of appeal, arrangements will be made for you to attend an appeal hearing. The Appeals Panel is independent of the LA and SCA and is arranged by Democratic Services of the Council. The Panel will consist of 3 or 5 members. There will also be someone representing SCA (this will be a LA officer) and a clerk from Democratic Services in attendance. At the meeting, you will be invited to say why you would like your child to go to SCA rather than the one offered. The LA officer will explain why a place at SCA has been refused.

You cannot appeal for SCA if you did not list it on your common application form. The LA recommends that you accept the school that has been offered to you even if you decide to appeal for SCA. By accepting the school offered, you will

Home address:

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a 50/50 residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home
